BOLLYN’S PRESENTATION (APROX. 30 MIN. W/Q&A)

Title: The Dual-Deception of 9/11 and the War on Terror

The War on Terror is a global fraud foisted on the world in the aftermath of 9-11. The terrorism of 9-11 was a false-flag operation meant to be blamed on Muslims in order to start the long-planned Zionist stratagem known as the Global War on Terror. Started by President Bush in 2001, the fraudulent War on Terror is now in its 16th year. The only way to liberate ourselves and our nations from this madness is to expose the true source of terrorism.
