Shakabuku Liberty

Shaka Buku: To remove suffering and bring happiness to all people by awakening them to their inherent greatness. OR. A swift spiritual kick to the head that alters your reality forever.

1 If the US had attacked Syria, Russia and other nations would have used missiles against our allies. We'd have launched our nuclear arsenal, Russia and China would have launched their nuclear arsenals. Probability of WW3 >= "Very High"

2 We narrowly avert nuclear war thanks to the people and the alternative media.

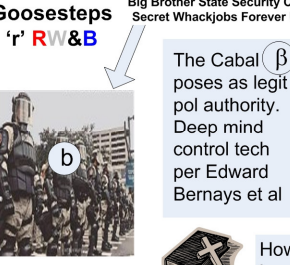

3 Still, US military power remains perilously at the call of same genocidal lunatics—the Cabal—who want to attack Syria. **Major Barnacle: Imminent Nuclear War, Sept. 2013**

4 Who is the Cabal? Same as behind Iraq, Afghanistan, all foreign aggressions. Three words: New World Order (NWO).

On threshold of New Paradigm, but first must remove "Barnacles on the Ass of Human Progress." Only YOU (I) can do.

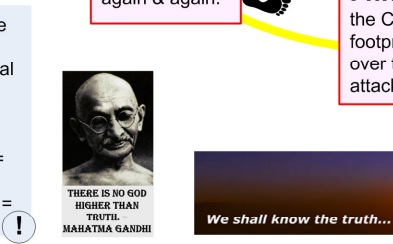

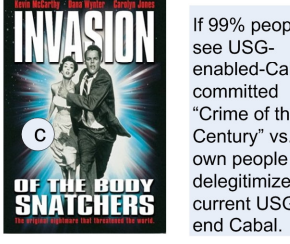

Start Here

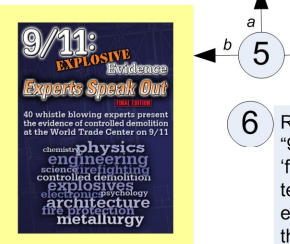

I see... that the Cabal cares nothing if my loved ones & I die.

I know... that the Cabal will try to kill or enslave me again & again.

"Crime of the Century" = 9/11/2001. 99% likely Cabal is behind 9/11 for same reason it wants WW3.

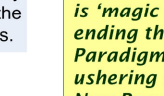

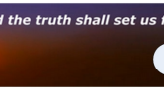

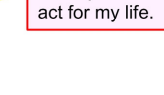

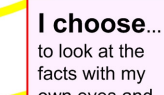

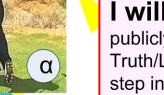

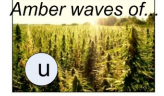

6 RT network 9/8/13: "9/11 attacks were 'false flag act of state terror' planned and executed by CIA and the White House."

7 Architects and Engineers for 9/11 Truth (AE911): Evidence => WTC bldgs explosively demolished => 'inside job'

9/11 Truth and its prosecution is 'magic bullet' ending the Old Paradigm and ushering in the New Paradigm

10 All the data point to 9/11 being an inside job by the Cabal. To rid us of the Cabal and move forward, we all need to aspire to the next stage of awareness... and 'man up.'

Free Your Mind

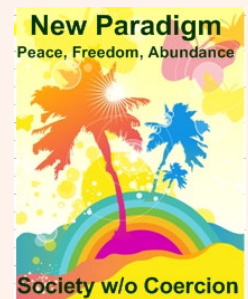

Break the Chains!

... that bind you to the Old Paradigm of centralized coercive and **despotic** political authority. The Powers that Be (PTB)—the 0.001%, the Bailout receivers, the global banker-warlords (posturing as legitimate central government)—have played 'Humans in a Box' for too long. They're killing children with drones and courting World War III as we speak; our only role in their plans is as corpses or slaves. We gain back our freedom and our lives by learning and asserting a simple truth... see other side for details.

Embrace the Next Stage

... of peace, freedom, and abundance. To do so, **YOU** need to think for yourself, to publicly declare your understanding and your convictions. Liberty is not a spectator sport. If we 'man up' en masse, then there will **not** be blood, the technique is quite simple... see other side for details... and find out more below. ↓↓
